✿ Please provide your grade in German scale as follows: $1+3(P_{\max}-P) / (P_{\max}-P_{\min})$, where P, P_{min} and P_{max} denote your original grade, the min. grade to pass and the max. grade possible, respectively.

unisono-support@zv.uni-siegen.de

To save time (yours and that of others) please consider the following before you contact the help desk:

- Do not inquire about trivial or self-evident matters. Most problems can be solved by yourself if you just think about it or check your application process yourself. Please read the available instructions carefully and check whether you have neglected to fill or mark required fields.
- Please inquire only at the unisono help desk. Do not write e-mails to other departmental representatives. The latter will just reply with a redirection to unisono.
- Please be aware that during the application period the unisono staff is really busy, so it may take a while until your request is taken care of."
