

# JCF Info Event

## Opportunities During Your Chemistry Studies

Are you ready to take your studies beyond the classroom?

Learn from other **Students** who have transformed their academic journey with incredible experiences.

### Learn about:

- **Semester Abroad:** Immerse yourself in a new culture and broaden your horizons.
- **Company Internship:** Gain real-world experience and make valuable industry connections.
- **Thesis at a Company:** Combine academic research with practical application.
- **Research Project at Another University:** Collaborate with experts and expand your academic network.

**Before the event, there will be an Alumni Prize Award Ceremony.**

**17.06.24 at 16.30  
in AR-F002**

**Join us for a pizza party  
in AR-H-100 after the  
event!**
