

**THE FIRST EXAMINATION PERIOD OF THE WINTER TERM 2020/2021**

<b>Examiner</b>	<b>Module</b>	<b>Examination format</b>	<b>Details</b>
Wickleder	Advanced Inorganic Chemistry	oral online exam	please contact the responsible examiner
Schmittel	Advanced Organic Chemistry	please see Stereo and Physical Organic Chemistry	please contact the responsible examiner
Lenzer	Advanced Physical Chemistry	oral exam via Zoom	please contact the responsible examiner
Engelhard	Applied Chemistry - Modern Analytical Chemistry I	oral exam via Zoom	duration: 30 min.; after exam registration in Unisono visit Moodle course page for individual exam appointment
Jonas	Applied Chemistry I/II (Polymer Chemistry I - Properties)	oral online exam	please contact the responsible examiner
Killian	Advanced Materials Chemistry	oral online exam	please contact the responsible examiner
Ihmels	OC - Aromatic and Heteroaromatic Chemistry		cancelled (no participants)
Ihmels	OC Org Photochemistry	oral online exam	please contact the responsible examiner
Ihmels	OC - Introduction to Bioorganic Chemistry		cancelled (no participants)
Schönherr	Physics and Chemistry of Interfaces	oral online exam	please contact the responsible examiner
Schönherr	Physical chemistry of nanostructured and soft materials	oral online exam	please contact the responsible examiner
Engelhard	Modern Analytical Chemistry II	oral exam via Zoom	duration: 30 min.; after exam registration in Unisono contact lecturer for individual exam appointment
Schmedt adG	Solid State Chemistry		cancelled (no participants)
Ihmels/Paululat	OC - Applied NMR Spectroscopy	oral online exam	please contact the responsible examiner
Jonas	Advanced Topics in Polymer Chemistry (Synthesis of Polymers)	oral online exam	please contact the responsible examiner
Schönherr	Atomic Force Microscopy for Materials and Interface Science	oral online exam	please contact the responsible examiner
Engelhard	Special Topics in Analytical Chemistry	oral exam via Zoom	duration: 30 min.; after exam registration in Unisono visit Moodle course page for individual exam appointment
Schönherr/ Engelhard	Methods and Techniques of Surface Analysis	oral exam via Zoom	duration: 30 min.; after exam registration in Unisono visit Moodle course page for individual exam appointment
Schmedt auf der Günne	Advanced Magnetic Resonance Spectroscopy- Solid-state spectra analysis	oral online exam	please contact the responsible examiner
Wickleder	Nanostructured Materials	written online exam	please contact the responsible examiner
Bäurle	Modeling and Simulation in Chemical and Pharmaceutical Industry	written online exam	please contact the responsible examiner
Bäurle	Multiscale Simulation of Macromolecular Systems and Cells	written online exam	please contact the responsible examiner
Schmittel	Organic Chemistry: Stereo Chemistry and Synthesis	written exam in presence	please contact the responsible examiner
Schmittel	Organic Chemistry: Physical Organic Chemistry	oral exam via Zoom	please contact the responsible examiner
Lenzer	Spectroscopy of Cold Molecules		cancelled (no participants)
Schmedt adG	Materials for Energy Storage and Conversion	oral online exam	please contact the responsible examiner
Killian	Advanced Chemistry of Inorganic Chemistry	oral online exam	please contact the responsible examiner
Killian	Special Materials Chemistry (593320)	oral online exam	please contact the responsible examiner
Wickleder	Topics in Solid State Chemistry (593220)		cancelled (no participants)
