

THE SECOND EXAMINATION PERIOD OF THE WINTER TERM 2020/2021

Examiner	Module	Examination format	Details
Wickleder	Advanced Inorganic Chemistry	shall be announced	Please contact the responsible chair for further details
Schmittel	Advanced Organic Chemistry	shall be announced	Please contact the responsible chair for further details
Lenzer	Advanced Physical Chemistry	written online exam	Information will be provided on the Moodle website
Engelhard	Applied Chemistry - Modern Analytical Chemistry I	oral exam (Zoom)	Duration:30 min.; after exam registration in unisono visit Moodle course page for individual exam appointment
Jonas	Applied Chemistry I/II (Polymer Chemistry I - Properties)	oral online exam	Please contact the responsible chair for further details
Killian	Advanced Materials Chemistry	oral online exam	Please contact the responsible chair for further details
Ihmels	OC - Aromatic and Heteroaromatic Chemistry	written exam	Please contact the responsible chair for further details
Ihmels	OC Org Photochemistry	oral exam (pref. online)	Please contact the responsible chair for further details
Ihmels	OC - Introduction to Bioorganic Chemistry	oral exam (pref. online)	Please contact the responsible chair for further details
Schönherr	Physics and Chemistry of Interfaces	oral online exam	Please contact the responsible chair for further details
Schönherr	Physical chemistry of nanostructured and soft materials	oral online exam	Please contact the responsible chair for further details
Engelhard	Modern Analytical Chemistry II	oral exam (Zoom)	Duration: 30 min.; after exam registration in unisono contact lecturer for individual exam appointment
Schmedt adG	Solid State Chemistry	shall be announced	Please contact the responsible chair for further details
Ihmels/Paululat	OC - Applied NMR Spectroscopy	written exam	Please contact the responsible chair for further details
Jonas	Advanced Topics in Polymer Chemistry (Synthesis of Polymers)	oral online exam	Please contact the responsible chair for further details
Schönherr	Atomic Force Microscopy for Materials and Interface Science	oral online exam	Please contact the responsible chair for further details
Engelhard	Special Topics in Analytical Chemistry	oral exam (Zoom)	Duration: 30 min.; after exam registration in unisono visit Moodle course page for individual exam appointment
Schönherr/ Engelhard	Methods and Techniques of Surface Analysis	oral online exam	Duration: 30 min.; after exam registration in unisono visit Moodle course page for individual exam appointment
Schmedt auf der Günne	Advanced Magnetic Resonance Spectroscopy- Solid-state spectra analysis	shall be announced	Please contact the responsible chair for further details
Wickleder	Nanostructured Materials	shall be announced	Please contact the responsible chair for further details
Wickleder	Applied Optical Spectroscopy	shall be announced	Please contact the responsible chair for further details
Bäurle	Modeling and Simulation in Chemical and Pharmaceutical Industry	shall be announced	Please contact the responsible chair for further details
Bäurle	Multiscale Simulation of Macromolecular Systems and Cells	shall be announced	Please contact the responsible chair for further details
Schmittel	Organic Chemistry: Stereo Chemistry and Synthesis	shall be announced	Please contact the responsible chair for further details
Schmittel	Organic Chemistry: Physical Organic Chemistry	shall be announced	Please contact the responsible chair for further details
Lenzer	Spectroscopy of Cold Molecules	oral online exam	Please contact the responsible chair for further details
Schmedt adG	Materials for Energy Storage and Conversion	shall be announced	Please contact the responsible chair for further details
Killian	Advanced Chemistry of Inorganic Chemistry		cancelled
Schmedt adG	Special Inorganic Chemistry II (593270)	shall be announced	Please contact the responsible chair for further details
Killian	Special Materials Chemistry (593320)	oral online exam	Please contact the responsible chair for further details
Wickleder	Topics in Solid State Chemistry (593220)	shall be announced	Please contact the responsible chair for further details
